

Steps for attaching a sign through officer's console:

1. Before uploading a sign, please ensure sign should be “transparent” and in “.png” format.
2. It should not be blurred image. (450x250 dimensions would be preferred.)

For Example:

3. Please go to signing authority console and click on profile option in bottom left menu.
4. Please click on EDIT option in profile page.
5. You will have to click on Attach Sign option.
6. Please select concerned officer's public key and attach a sign image.

NOTE :

- Please upload a proper Sign image as same will be reflected in digitally signed document.
- No changes will be entertained once sign has been done.
